Dear [Redacted]

Two additional documents delivered to you on April 17, 1975 have been referred recently to us by the Treasury Department and the Department of Defense for CIA clearance. These documents were erroneously included on the list of documents for clearance by those agencies. Would you please approve or disapprove our disclosure of their contents to IBM counsel in conformance with the procedure outlined in our letter to you of April 1, 1975.

These documents are (1) a series of Central Intelligence Agency information cables, designated secret, relating to the sale of French computers to Cuba bearing the dates 14 November 1968, 14 February 1969 and 31 March 1970, and (2) a Central Intelligence Agency information report dated 12 January 1968 bearing the subject matter: Computers Purchased by and Installed in Czechoslovakia. 4/8/75

Your cooperation is very much appreciated.

Sincerely yours,

THOMAS E. KAUPER
Assistant Attorney General
